WHAT IS DANCE ATTACK?

Dance Attack is Pacemakers Academy's summer vacation dance training program. The program is a compilation of fun-filled, yet rigorous training, in **Contemporary** and/or **Hip-Hop** styles of dance. These popular dance forms are more than stepped routines; the 'Pacemakers way' of learning helps a student to understand movements, rhythm, flow, team-work and of course expressions.

A student can choose to learn either one **OR** both the styles (in different batches) of dance forms.
